Dear Prospective Sponsor:

The Blue Star Houston Skyrise Girls Basketball Program is a Non-Profit tax exempt 501(c) 3 Youth Sports Organization and a Houston based member of the Amateur Athletic Union (AAU). The mission of the Houston Skyrise program is to provide a positive environment for youth athletes to grow and develop their basketball skills in order to become elite players on the court and exceptional young ladies off the court. The vast majority of our players would not be able to attend college without the aid of an athletic or academic scholarship. Our goal is to use the game of basketball to teach the girls life skills, maximize their potential with discipline, work ethic and execute a plan to pursue their dream of attending college. We provide excellent opportunities for basketball players of all ages with the desire, dedication, and commitment to one day secure a college scholarship.

The response from parents and community leaders has been astounding; with our program steadily increasing in size, from 42 players (2014) to 85 players (2015) to 110 players (2016) to approximately 150 players for the (2017) season. As our new season approaches, we look forward to playing in as many tournaments as possible, seeking much stronger competition to elevate and take our game to the next level. With your support, we plan to play a national level tournament schedule that will take our program all around the country, which will benefit the girls with national exposure to college recruiters and coaches from every region of the United States!

Although our players pay monthly dues and participate in team fundraisers, our program continues to need help to meet its financial budget. This is where your support would be greatly appreciated. Your tax deductible donation will go directly to support the cost of tournament fees, training equipment, travel expenses, practice facilities and provide assistance to underprivileged players who otherwise may not be able to participate. Our coaches volunteer their time and energy to help each player develop the necessary skills and confidence to become an elite player. Any donation amount is accepted and is greatly appreciated! Thank you for your time and consideration. We look forward to having your support!

Respectfully,

Nolan Capra
