

Dear Prospective Sponsor:

1/1/2015

The Houston Skyrise Girls Basketball Program is a Non-Profit tax exempt 501(c) 3 Youth Sports Organization. The organization is also a Houston based member of the Amateur Athletic Union (AAU). The focus of the Houston Skyrise program is to provide a positive environment for youth athletes to grow and develop their basketball skills to become elite players on the court and exceptional young ladies off the court. The vast majority of our players would not be able to attend college without the aid of an athletic or academic scholarship. Our goal is to use the game of basketball to teach the girls life skills, maximize their potential with discipline, work ethic and execute a plan to pursue their dream of attending college. We provide excellent opportunities for basketball players of all ages with the desire, dedication, and commitment to one day secure a college scholarship.

The response from parents and community leaders has been absolutely incredible; within one year our organization has double in size, increasing from 42 players to approximately 85 players for this upcoming season. As our new season approaches, we look forward to playing as many tournaments as possible, seeking much stronger competition to elevate and take our game to the next level. We plan to play national level tournaments, which will benefit the girls with national exposure to college recruiters and coaches across the country!

Although the players pay monthly dues and participate in team fundraisers, our program still needs help to meet its financial budget. **Your tax deductible donation will go directly to support the cost of tournament fees, training equipment, travel expenses, practice facilities and provide assistance to underprivileged players who otherwise may not be able to participate.** Our coaches volunteer their time and energy to help each player develop the necessary skills and confidence to become an elite player.

Any donation amount is accepted and is greatly appreciated! Listed below are suggested tier donor levels for our 2015 season (at donors request and approval their company information will appear on our website).
